Important terms & definitions:

Service Availability Charge recovers the cost of billing, metering, collections, customer service, and enterprise costs. This fixed monthly charge does not vary based on kilowatt-hour (kWh) use.

Delivery Charge (\$ per kWh use) recovers the cost of the distribution infrastructure that delivers electricity to your home.

Base Power Cost (\$ per kWh use) recovers the cost of electricity and associated costs.

Power of Change is a voluntary program. Make a one-time donation or pledge to round up your electric bill to the nearest dollar each month. All contributions go toward nonprofits.

Transmission Cost of Service recovers the cost of charges assessed to PEC members for the use of statewide transmission facilities operated within ERCOT.

Franchise Fee is mandated by city ordinance for use of streets or public ways. PEC is required by the city to collect the fee from members within city limits and then remits to the city.
