**Important terms & definitions:**

**Service Availability Charge** recovers the cost of billing, metering, collections, customer service, and enterprise costs. This fixed monthly charge does not vary based on kilowatt-hour (kWh) use.

**Power of Change** is a voluntary program. Make a one-time donation or pledge to round up your electric bill to the nearest dollar each month. All contributions go toward nonprofits.

**Delivery Charge** (\$ per kWh use) recovers the cost of the distribution infrastructure that delivers electricity to your home.

**Transmission Cost of Service** recovers the cost of charges assessed to PEC members for the use of statewide transmission facilities operated within ERCOT.

**Temporary Winter Storm Surcharge** (\$ per kWh use) is the temporary surcharge PEC is collecting to pay debt associated with the 2021 extreme winter storm event. The surcharge will end no later than September 30, 2023.

**Franchise Fee** is mandated by city ordinance for use of streets or public ways. PEC is required by the city to collect the fee from members within city limits and then remit all fees to the city.

**Base Power Cost** (\$ per kWh use) recovers the cost of electricity and associated costs.
