

Stay ahead of the storm

We do our best to prevent outages, but when severe weather strikes, it's important to be prepared.

Get the tips and tools you need online at our new **outage center**. Visit pec.coop/outages to explore the new features, so you'll be ready when the next storm rolls in.

Visit PEC's new outage center

Our new and improved **outage center** is your one-stop shop for all your outage needs. Once there, you can:

- Access PEC's outage map
- Report your outage
- Learn more about your outage, including the outage type
- Receive an estimated restoration time, if available
- Read PEC news stories on important topics like protecting your electronics and building a home emergency kit, plus access frequently asked questions about outages

If you experience an outage, report it using the SmartHub app, at pec.smarthub.coop, or by calling us at 888-883-3379.

Track your outage at pec.coop/outages.
